Dear Mr. Pllum:

In connection with our audit of the consolidated financial statements of Torvane Industrial Group, Inc. (the "Company") as of September 30, 2013 and for the year then ended, the Company's management has furnished us with a description of certain contingencies and has requested that you furnish us with information concerning litigation, claims and assessments.

Accordingly, please furnish to us, as of the date of your response:

1. With respect to **pending or threatened litigation, claims and assessments** as to which you have been engaged and to which you have devoted substantive attention on behalf of the Company in the form of legal consultation or representation: (a) the nature of each matter; (b) the progress of each matter to date; (c) how the Company is responding or intends to respond; and (d) an evaluation of the likelihood of an unfavorable outcome and an estimate, if one can be made, of the amount or range of potential loss.
2. With respect to **unasserted claims and assessments** considered by management to be probable of assertion and which, if asserted, would have at least a reasonable possibility of an unfavorable outcome, as identified in the Company's letter to you: a statement of the nature of each such matter and your views as described above. We understand, consistent with the ABA Statement of Policy, that your response with respect to unasserted claims is limited to those specifically identified by the Company.
3. A statement of the amount of any unpaid fees owed to your firm by the Company as of the response date.

Please address your response to this office, to arrive by **November 8, 2013**, with an effective date as close as practicable to **November 15, 2013**.

Please advise us of any limitation on your response.

Very truly yours,
