Correspondence

No filed correspondence. Matter correspondence for this matter runs March 2011 –February 2014 per the closing letter’s file index; all of it predates the January 1, 2014 correspondence cutoff of the February 2016 Casebridge migration (CommsStore content out of scope). Pre-2014 email is retained in the firm mail journal archive (Records Policy 7.1); request retrieval through Records & Information Governance.

Report notes (A. Chaudhry, 11/18/2024)

No amendment, supplemental engagement letter, or scope-limitation document appears among the profiled documents. The legacy Casebridge free-text “Scope Note” field was not migrated (NOV-2119, closed “works as designed,” March 2016); its content, if any, is not recoverable from Novarra.
