Dear Mr. Brennan,

This letter confirms coverage for the winter storm damage reported December 19, 2011 to the fixed dock decking and boathouse door and framing at Harbor Point Marina.

Coverage Determination

The damaged structures are scheduled under **Endorsement #3 — Dock & Boathouse Structures** (effective June 15, 2011), which insures the fixed dock and boathouse on a replacement-cost basis against windstorm and wave action. The reported loss is a covered cause of loss under that endorsement.

Settlement

Item	Amount
Approved repair cost (per contractor estimate)	\$18,400
Less deductible	(\$2,500)
Net payment approved	\$15,900

Please proceed with repairs and forward the final invoice for our file. This confirmation and the settlement above are issued under the coverage provided by Endorsement #3.

Sincerely,
James Holloway, Claims Adjuster
