Coverage Determination

Date: March 18, 2024
Claim Number: CLM-2024-10592
Policy Number: MPP-2011-44873
Insured: Harbor Point Marina LLC
Adjuster: Rachel Kim
Approved by: Marcus Delgado, Claims Manager

Dear Mr. Brennan,

Meridian Mutual has completed its review of the February 2024 loss to your fixed dock and boathouse and confirms coverage as follows.

Determination

The damaged structures are scheduled under **Endorsement #3 — Dock & Boathouse Structures**, effective June 15, 2011, insuring the fixed dock and boathouse on a replacement-cost basis at a combined limit of \$340,000 against windstorm and wave action. Our independent adjuster has confirmed a total loss from a covered peril. **Coverage is confirmed.**

Note: this endorsement was verified against the original 2011 policy file and correspondence. Although the endorsement was not visible in our current policy system following a 2016 platform migration, the coverage was validly bound in 2011, was previously honored under claim CLM-2011-3320, and remained in force. The loss is covered.

Settlement Basis

Item	Amount
Replacement-cost rebuild (contractor estimate)	\$412,600
Endorsement limit (maximum payable)	\$340,000
Less deductible	(\$5,000)
Actual cash value payable now (RC less recoverable depreciation)	\$268,500
Recoverable depreciation (held back until rebuild complete)	\$71,500

We will issue the actual cash value now and release the recoverable depreciation upon completion of the rebuild and receipt of the final invoice, up to the \$340,000 endorsement limit. Please sign and return the enclosed proof of loss to trigger the initial payment.

Sincerely,
Rachel Kim, Claims Adjuster
