Final Settlement Advice — Depreciation Release & Claim Closure

Date: June 27, 2024

Claim Number: CLM-2024-10592

Policy Number: MPP-2011-44873

Payee: Harbor Point Marina LLC

Adjuster: Rachel Kim

The rebuild of the fixed dock and boathouse has been verified complete and the final contractor invoice received. This advice releases the recoverable depreciation and closes the claim.

Item	Amount
Endorsement limit (Endorsement #3)	\$340,000
Less deductible	(\$5,000)
Initial ACV payment (issued March 2024)	\$263,500
Recoverable depreciation released now	\$71,500
Total claim payments	\$335,000

Total paid (\$263,500 + \$71,500) equals the \$340,000 endorsement limit less the \$5,000 deductible.

Status

Claim **CLM-2024-10592 is closed**. We recommend discussing an increased scheduled limit at renewal, as current rebuild cost (\$412,600) exceeds the existing \$340,000 limit.
