NOTICE

This provisional application will become abandoned twelve months from the filing date shown above. A non-provisional application or an international application under the Patent Cooperation Treaty claiming the benefit of this provisional application must be filed on or before **August 19, 2011**.

The right of priority under the Paris Convention for a foreign application claiming priority from this provisional expires on the same date.

No examination is conducted on a provisional application. The grant of a filing date does not constitute a determination that the application meets any requirement of Title 35.

Docket note (Marsden IP Operations, August 19, 2010): Convention year calendared to **August 19, 2011**, first reminder at 90 days. Matter MAL-2010-0392 is on the **Yokohama** series; see also MAL-2010-0392 on the San Mateo series (adaptive microphone-array beamforming), which is a different matter and a different family.
